Vehicle Movement

- Please enter through the gates from the main car park that's on the same side as your stall, then exit through the gate next to the stage on Lindsay St (to insure traffic is one-way)
- If it is your first time at the market and you are unsure, please park in the main car park then, walk in and find the market Coordinator who will be wearing a fluorescent orange vest
- Please be considerate of other stallholders when parking at your site, especially if there is more than one car. Ensure that there is sufficient room for all cars to move in and out during set-up and pack-up.
- All vehicles must be **off the market site by 7.45am** – if you are late you can carry your items from the market car park.
- **No vehicle is permitted to enter or move around the market site during the market open hours or before closing time (either 12 or 1pm)** Please check at the Yellow Market Table about closing time if you are unsure. You are welcome to pack up early, but you must not use your car to collect you stall items until after the close of the market.

Safety

- Please make sure that the area around your stall is free from objects that patrons may trip over. For example, all powercords are covered and tent pegs are covered.
- If you have any concerns at all please see the market Coordinator who will be wearing a fluorescent orange vest.
- All gazebos must be Secured to the ground.

Payment of Stallholder Fees

- The market coordinator will come round and collect your fees during the market day.
- Please be prepared to pay your fees as early as possible

Attendance at Markets

Permanent Stallholders - Please advise, by phone or email if you will not be attending a market. This will assist with the mapping out of the market each Saturday.

Casual Stallholders - Please advise of your attendance, either by phone or email, by 12pm of the Friday of the markets that you plan to attend.

Thank you for your co-operation in the smooth running of the Katherine Community Markets. Have a great day!!
